

# All about us

Our body parts:		8	Touch	Our senses		Where we live		
1	Skin 	9	Smell	 touch  smell  taste	13	Great Britain		
2	Face 				14	England		
3	Shoulders 	10	Taste		15	Nottingham		
4	Elbow 	11	Hearing		 hearing  sight	16	Bilborough	
5	Knees 							
6	Ankle 							
7	Wrist 							

## Different environments we live

	18		19		20	
A savanna is flat land covered with grass and a few trees. Savannas are found in Africa and other tropical regions.		A town is a place with a lot of houses and a shopping area, it is larger than a village and smaller than a city.		A city is a place in which people live and work that is larger than a town.		A village is a group of houses and buildings situated in a rural area.
