## A message from Mr Stockwell

Dear Families

It has been another week where Glenbrook really has felt like the PLACE to be! This week we thought about our Awesome Attitude PLACE Value. During the week, I was delighted to see lots of children displaying this value through their hard work, politeness and kindness. These attitudes make Glenbrook a great place for both the adults and the children.

In addition, I have been really impressed with how children have been walking around the school. We have been using the term "Wonderful Walking" and it has been really positive to see lots of examples of this wonderful walking in action. Why not ask your child about their wonderful walking?

Next week, we are having our MacMillan Coffee morning to raise money for MacMillan. I hope to meet lots of you in person if you are able to make it.

Have a lovely weekend.  
Mr Stockwell

## Hall of Fame

Above the starry-night,

Planets blue and yellow and white,

Around the sun they turn and twist,

But observing them closely is a total wiz

Some have craters, some have moons,

Some have space tornadoes too,

Some getting consumed by black holes,

And some having astronaut patrol,

They orbit their suns in peace and quiet,

But what really is the real riot.

Take a look at this amazing poem that one of our Year 5 boys wrote at home!
