A message from Mr Stockwell

Dear Families

It has certainly be a fantastic and action packed week at Glenbrook.

Throughout the week we have been thinking about Anti-Bullying along with schools across the country. On Monday, we launched the week by wearing odd socks. All classes thought about bullying and how we can make Glenbrook a bullying free zone.

It was also Children in Need this week and the children enjoyed coming together to raise money. We talked about how charity is part of our collective community value and how we can look to help people who might have a need greater than ours.

Year 2 and Early Years had Diwali workshop. This was focussed on dancing and helped the children to understand the importance of Diwali in the Hindu and Sikh year. If you celebrated, we hope you enjoyed yourself!

Have a great weekend
Mr Stockwell

Attendance

Overall Attendance - 90.6%

Target - 96%

Attendance has been lower than we need this week. We know this is partly because of Covid-19 but we do ask you help us have excellent attendance by avoiding all term time holidays at this time and making sure your child is in school as much as possible

Remember to be on time in the morning! Every minute of learning counts.
